In G. L. No. 6919/36-II-E (II), dated the 23-2-48, the local Officers were requested to propose revised pay scales for the posts omitted from the schedule of revised pay scales. Accordingly, the S.E., S.C., in his letter of March 1948 has proposed a pay scale of Rs. 46-3-85-4-105 for the Asstt. Store-Keepers, which have been omitted from the schedule. The S.E's proposal is separately under consideration along with similar other proposals.

2. The S.E., S.C., now requests that if there is likely to be delay in issuing the final orders in the matter, a higher starting pay of Rs. 50 p.m. may be granted to the Asstt. Store-Keeper in the Belgaum Dn. If approved, the S.E's request for the grant of higher starting pay may be regularised as per draft put up for appl.

Asst 22/10/48. If the SE's request is considered individually it is likely to affect the examination of the general proposals. It will not be too long now to come to a decision on the general question as all the reports have already been received & are under scrutiny in E B (II).

Subject: Pay-scale: Graduate Laboratory Assistant in the Soil Research Sub-Division-Dharwar -- Revision of.....

A p 38 of file No. 8069/36, kept below.

One post of Graduate Laboratory Assistant was sanctioned by Government in Government Letter P.W.D.No.8069/36-E(II) dated the 16th May 1947 addressed to the late Chief Engineer, Public Works Department, Poona, for the Soil Physicist's office in the Irrigation Projects Division (North), Ahmedabad. The scale for the above post was shown as Rs. 95-5-120-E.B.130-8-170. This scale, however, does not appear to have been revised by Government as will be seen from Government Resolution, Finance Department No.6567/33-I, dated 15-1-1948 and it is now necessary to revise the same.

will be put up if reqd.

2. The post of Soil Physicist together with the establishment sanctioned for that office has since been transferred to this Circle and one new Sub-Division, viz. Soil Research Sub-Division, together with the establishment has been sanctioned for this Circle in Government Letter, P.W.D.,No.9252/36-E(I), dated the 23rd July 1948. The pay-scale sanctioned for the Graduate Assistant in the above mentioned Government Letter is Rs. 80-5-100-8-140-E.B.10-220-E.B.-10-270. The duties of the Graduate Laboratory Assistant, whose pay-scale is yet to be revised, are similar to those of a Graduate Assistant sanctioned for the Soil Research Sub-Division.

3. In the circumstances, Government may please be moved early to revise the scale of Graduate Laboratory Assistant in the Soil Research Sub-Divn., Dharwar from Rs. 95-5-120-E.B.-130-8-170 to Rs. 80-5-100-8-140-E.B.-10-220-E.B.-10-270.

The question under consideration in file No. 6919/36 - Pt. XIII was the revision of the pay-scale of a Research Asstt. among others. The question of revising the pay-scale of the Graduate Laboratory Asstt. in the Soil Research Sub-Dn., may be dealt with independently.

2. The post of a Graduate Laboratory Asstt., in the scale of Rs. 95-5-120-S.B.-130-8-170, for the Soil Physicist's office was sanctioned in × G.L. No. 8069/36-S(II), dt. the 16-5-47. Subsequently the post of Soil Physicist together with the estabt. sanctioned for that office was transferred to the Karnatak Irrigation Circle and one new Sub-Dn., viz: Soil Research Sub-Dn. was sanctioned vide △ G.L. No. 9252/36-S(II), dt. the 23-7-48. A pay-scale of Rs. 80-5-100-8-140-S.B.-10-220-S.B.-10-270 was sanctioned for the Graduate Asstt. Finance Department.(X)

A post of Graduate Laboratory Asstt., in the cale of Rs.95-5-120-E.B.-130-8-170 was sanctioned or the office of the Soil Physicist under G.L., .W.D. No.8069/36-E(II) dated 16th May 1947. This scale was not revised in the general revision of pay scale, apparently because the post was not in existence at the time the revision of pay scales was under consideration. Subsequently under G.L.,P.W.D. No.9252/36-E(I) dt.23rd July 1948, three posts of graduate Asstts. were sanctioned in the scale of Rs.80-5-100-8-140-E.B.-10-220-E.B.10-270. It is now proposed to revise the pay scale of the graduate Laboratory Asstt. to Rs.80-5-100-8-140-E.B.-10-220--E.B.-10-270.

It...

It may be stated that the scale of Rs.80-270 is the revised scale sanctioned for Overseers in the P.W.D. These Overseers are either B.Es., B.Sc.(Engr.) or Diploma holders. The Graduate Lab. Asstt., or the Graduate Asstts., on the other hand are either B.Sc. or B.Ags. (vide p.31 of P.W.D. file No.9252/36). The prescribed scale of Agricultural Asstts.(B.Ags.) is Rs.80-5-100-8-140-E.B.-10-200. It is submitted that this is the proper scale for Graduate Asstts. or Graduate Lab. Asstts. who hold similar qualifications as the Agricultural Officers do. P.W.D. may, therefore, be advised to sanction the scale of Rs.80-200 for both the Graduate Asstts., and the Graduate Lab. Asstts. The orders passed in G.L., P.W.D. No.9252/36-E.(I) dt.23rd July 1948 may have to be amended slightly. P.W.D. may be requested to do so.

If the above proposal is accepted there will be an ultimate saving of Rs 452 p.a.
